**ORDER CORRECTING ERROR**

Decision (D.) 02-08-067 was issued on August 22, 2002. This decision concerned and concluded the minimum point of entry (MPOE) phase of the larger proceedings concerned with competition for local exchange service. Ordering Paragraph 3 of D.02-08-067 closed both of the above captioned dockets, but should have only closed the MPOE phase of these proceedings. The proceedings otherwise should remain open.

Therefore, pursuant to Resolution A-4661, **IT IS ORDERED** that an error in Decision 02-08-067 is corrected as follows:

Ordering Paragraph 3 should be revised to read: “The MPOE phase of these proceedings is closed. These dockets shall otherwise remain open until further order of the Commission.”

This order is effective today.

Dated October 16, 2002, at San Francisco, California.
